Committee or Forum: Young Adult Services Forum

Report completed by: Izabel Gronski

Date: 3/17/20

Activities underway or completed since the last report:

The YASF has continued to meet virtually this year, and we are working on increasing our participation from downstate libraries. Our big projects continue to be the [#WeWereHere](#) project database as well as Tournament of Books. We are still exploring the joint YASF-YSF Unconference. In February, we offered a professional development opportunity with a presentation by KaeLyn Rich on teen activism. We are still working on some admin related tasks – getting relevant documents and information on the ILA website, cleaning up our social media and other accounts so that future board transitions happen as smoothly as possible.

Projected activities/initiatives during the upcoming months:

We will continue to promote and add libraries, teen volunteers to the [#WeWereHere](#) project. We are still working on the Unconference in collaboration with the Youth Services Forum. The Tournament of Books is underway. We are also working on creating an EDI statement for YASF.

Intended outcome/goals of project(s):

The [#WeWereHere](#) Project will continue during the pandemic to give teens volunteer opportunities and a voice while giving librarians a way to award service hours. The Tournament of Books will post reviews to the YASF blog and serve as a resource for librarians for material selection and promotion. The Unconference or alternative programming will provide librarians information and professional development on timely topics. The EDI statement will help guide YASF programming, including Tournament of Books as well as professional development opportunities.

Anticipated timeline(s) and completion date(s) for each project:

The #WeWereHere Project will continue as long as the pandemic continues. The Tournament of Books is underway and will wrap up this spring. The Unconference or alternate professional development has been postponed for later in 2021. The EDI statement may be completed by spring or summer 2021.

Activities should be designed to advance the ILA Strategic Plan. Which strategic goal areas are best addressed by the activities above? Check all that apply and describe briefly how the activities will advance the goal(s). View the full plan at <http://www.ila.org/about/strategic-plan>.
