Serving Our Public 5.0 – Safety & Emergency Preparedness: Action Plan

Library Name Date

Completed by Job Title

The action plans in each section are to be used as a tool for library directors, staff and board members to discuss and determine how their library is addressing the Serving Our Public standards. It is important that library directors, boards and staff recognize that public libraries are always evolving due to new trends, changing societal norms and cultural influences. In order for a library to stay sustainable and viable, the library directors should regularly review the core standards with both board and staff.
