# Illinois Public Library Standards – Collection Management: Action Plan

### **Library Name**

#### Date

## **Completed by**

## Job Title

The action plans in each section are to be used as a tool for library directors, staff and board members to discuss and determine how their library is addressing the Illinois Public Library Standards. It is important that library directors, boards and staff recognize that public libraries are always evolving due to new trends, changing societal norms and cultural influences. In order for a library to stay sustainable and viable, the library directors should regularly review the core standards with both board and staff.

3	The library has a process in place for collection management.	The library has staff who are responsible for collection management and are trained in the general principles of selection, inventory and weeding of materials.	Staff who are responsible for collection management are proficient in specific genres, age levels, and subjects.	
4	The library agrees to make their resources, information and expertise available via interlibrary loan, reciprocal borrowing, and other formal cooperative agreements; and participate in system delivery.			
5	The library abides by the ILLINET Interlibrary Loan Code as well as other formal regional/consortial agreements.	The library publicizes and promotes interlibrary loan to its patrons.	The library provides patrons with the ability to make their own interlibrary loan requests with little mediation.	

6	The library strives to provide a collection that reflects the needs and interests of the community as well as the diversity of human experience.	The library regularly reviews the collection to ensure its inclusivity.	The library implements a comprehensive collection maintenance plan that includes a 2-3 year schedule for evaluation and maintenance of every area of the collection.	
7	The library provides access to materials in a variety of formats for individuals of all ages, interests, and abilities (e.g., print, digital, audio, video, large print).	The library circulates physical objects and digital tools (a.k.a. "Library of Things").		
8	Materials are cataloged according to standard library practices.	Staff are aware of the importance of culturally sensitive cataloging terminology.		
9	The library has a reconsideration of materials policy and process.
